

CONVERSATIONS WITH THE SUPERINTENDENT

2017-2018 PARENT & COMMUNITY FORUMS

This school year, Scottsdale Unified School District is creating new opportunities for parents to connect directly with the Superintendent, Dr. Denise Birdwell, through a series of forums.

Quarterly morning meetings will address specific topics, outlined below. We encourage parents and community partners to attend these meetings, held in every learning community. Additionally, once each semester, we invite parents, teachers, staff and community members to attend evening forums, which will be packed with information specifically tailored to each learning community. There will be an opportunity for Q&A at all of these forums.

Coffee with Dr. Birdwell
